Renaissance Park Crime Report

Brought to you by the Renaissance Park Community Association

During the same time, Peoria County had 979 incidents reported. Of that, 5.31% of reported crime happened within a ½ mile radius of W Main/Sheridan, and crime on West Main accounts for .41%. Due to the modification in the reports structure (moving from 90 days of data to 30 days) trend data has been removed and will become part of the report of a future report.

In Peoria City, there were 787 reported incidents. Of those incidents, 52 transpired in a ½ radius from W Main and Sheridan – 6.61% of the reported incidents for Peoria City. Of those 52 reported incidents, 4 transpired on W Main which accounts for 0.51% of reported incidents for the Peoria city.

Note: Trend data has been removed from this report due to a change in the structure. The previous report was a 90 day report. Trend data will renew and be ongoing during in the near future. Sorry for the inconvenience.

Final Notes

Full report of incidents on W Main are available on the following pages

It's also important to be aware of what those crimes were and how those crimes would affect the average person visiting businesses on West Main or residents who want to move onto West Main. As the incident reports below show, this is not criminal activity that should deter anyone from coming to West Main and the surrounding businesses.
